Disclaimer

- I don't consider myself a prophet
- I'm also not a financial advisor
- You should research things for yourself and prayerfully and thoughtfully make whatever preparations you feel are important for you and your loved ones

7

Supply Chain Disruptions

- War in Europe
- Increasing fuel costs
- Shortages of oil for trucks
- Economic difficulties

8

Action Steps

- Store food for at least one month
- Stock up on other supplies you need, too
- Have some supplies you can barter with

9

Inflation and Collapse

- Increasing the money supply creates inflation
- Rising prices, along with shortages will primarily hurt low-income people
- All fiat currencies eventually collapse, which means the money becomes worthless

10

Action Steps

- Have some cash on hand
- Have skills or items for barter
- Invest in real goods (land, food, etc.)
- Get some silver or gold

11

Increased Social Unrest

- When people get hungry, they can become desperate
- The lack of moral values in many people means that there will also be more crime
- In major metropolitan areas there may be riots or looting

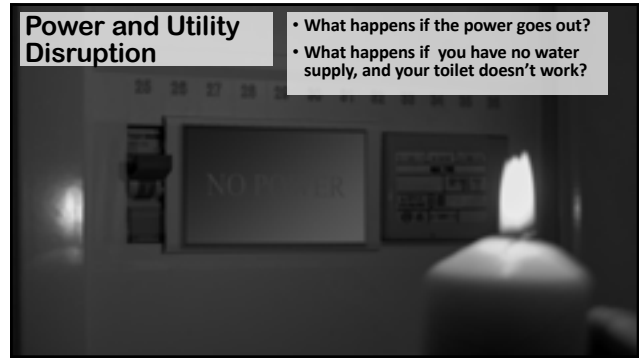

12

Action Steps

- Be prepared to stay at home with water, food, etc. for a couple of weeks if necessary
- Have a "bug-out bag" to relocate quickly if necessary

13

Power and Utility Disruption

- What happens if the power goes out?
- What happens if you have no water supply, and your toilet doesn't work?

14

Action Steps

- Have emergency supplies for lighting, heat, etc.
- Have water stored for emergencies
- Have a way to handle human waste

15

COVID-19, Vaccines, Health Care

- What COVID-19 reactions reveal
- Issues with vaccines and medicine in general
- How do we help people in the coming years?

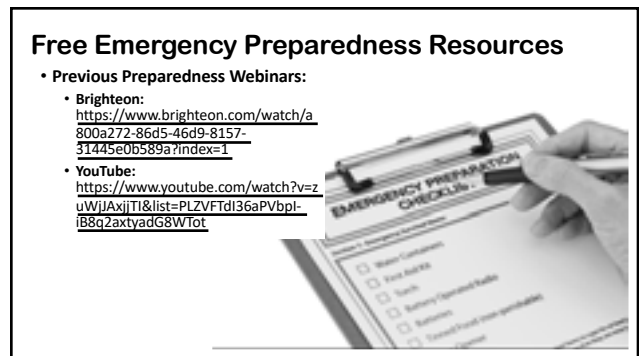

16

Action Steps

- Be cautious with modern medicine
- Know your local plants for both food and medicine
- Educate as many people as you can
