

Exploring the Tree of Life

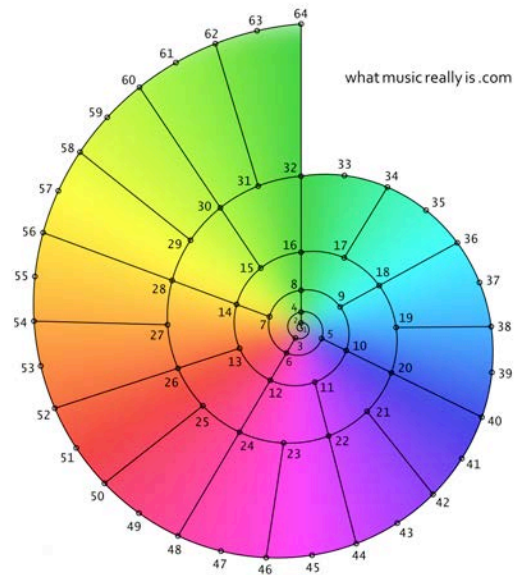

Part One: The Energetic Pattern of Creation

Color and Music

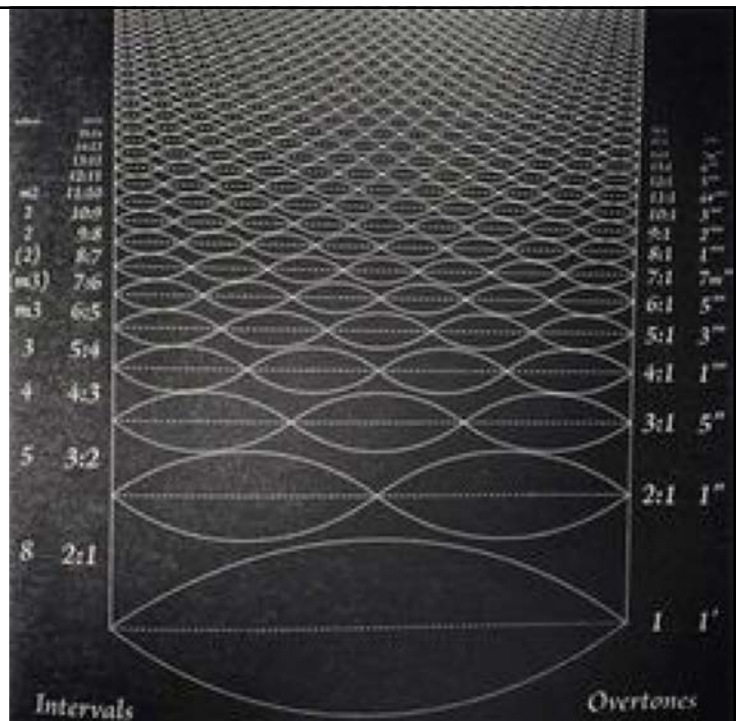

- Musical notes and colors are both created by mathematical ratios
- There are 12 basic notes and 12 basic colors

THE HARMONIC SERIES AS A LOGARITHMIC SPIRAL
 Issued by Erv Wilson March 1, 1965
 Vector graphics and colors by Bo Constantinsen March 2015

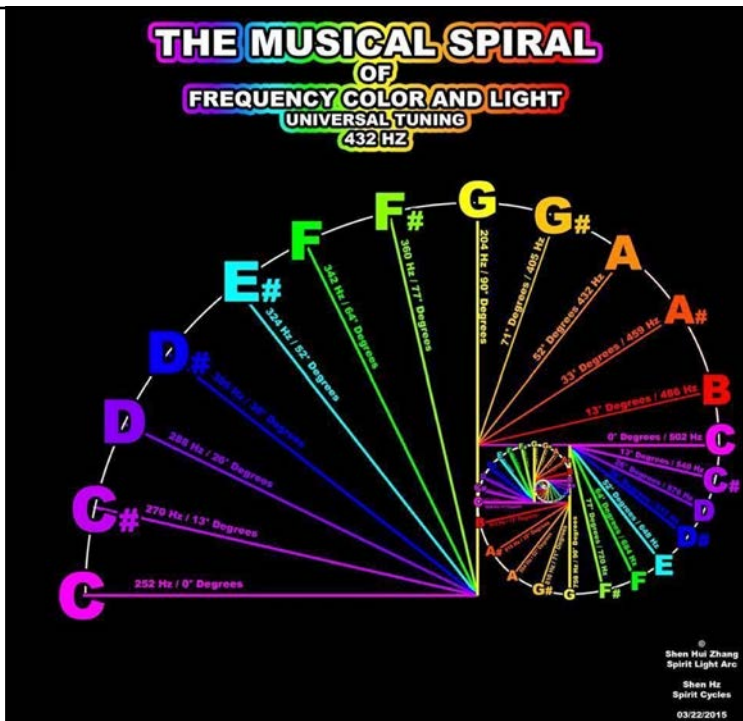

Musical Ratios

- A string can vibrate along the full length 1:1 or along a fraction of the string
 - 1:2 half the length
 - 1:3 a third of the length
 - 1:4 a quarter of the length
 - 1:5 a fifth of the length
- These mathematical ratios define the musical notes
- These same ratios are found in the color wheel

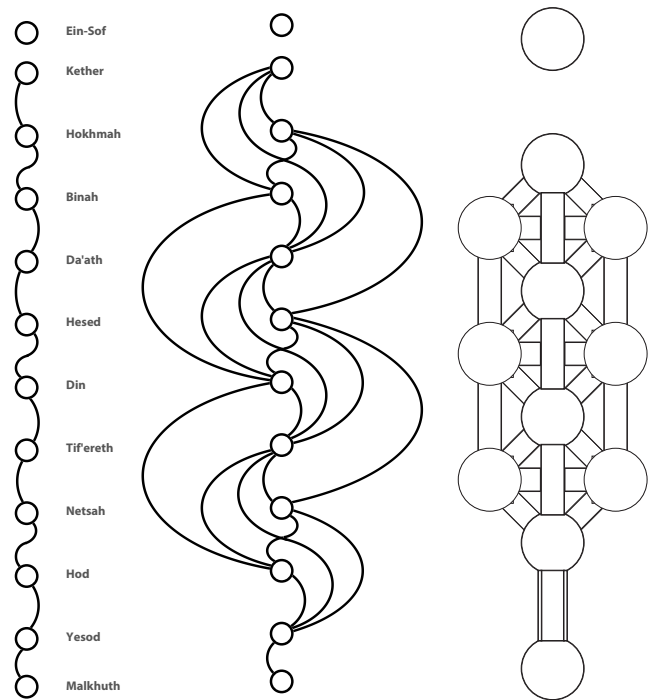

Vibrational Cycles

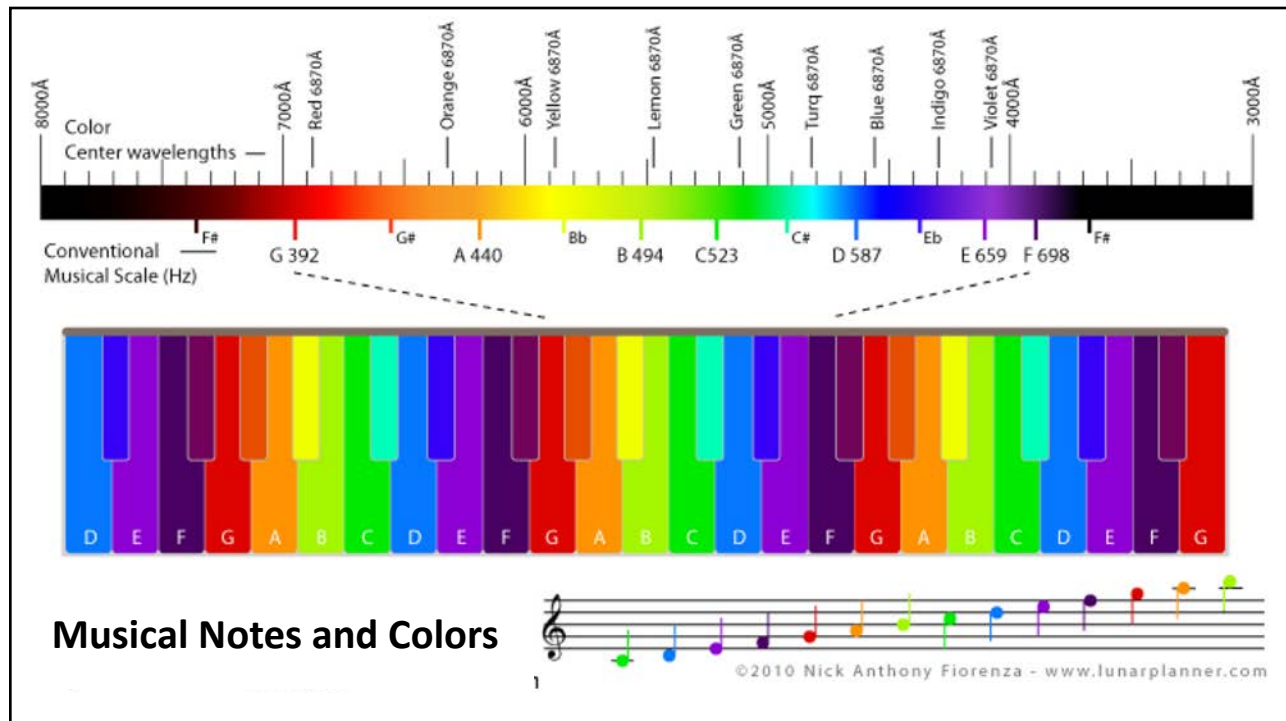

- Each time you go through a series of 8 or 13 notes you are back to the beginning note one octave higher
- This travels in an outward or inward spiral as frequencies increase or decrease
- It follows the pattern of the golden ratio

Harmonic Connections

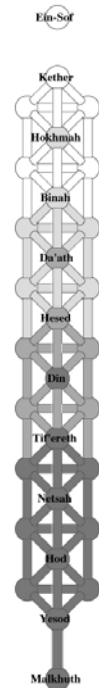

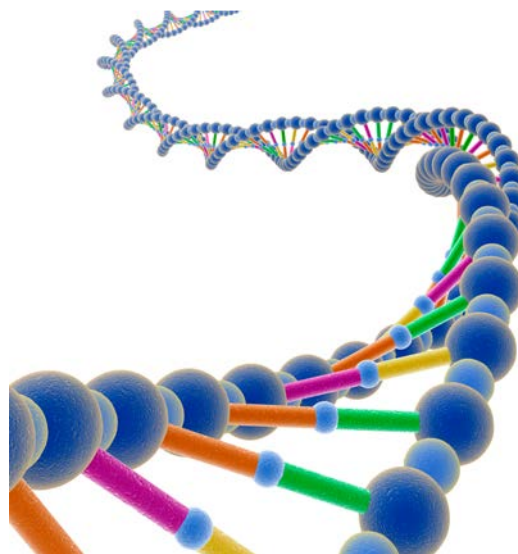

- The tree is formed by harmonic connections between the various musical notes or colors in each octave
- As these harmonics draw together they form the pattern of the tree

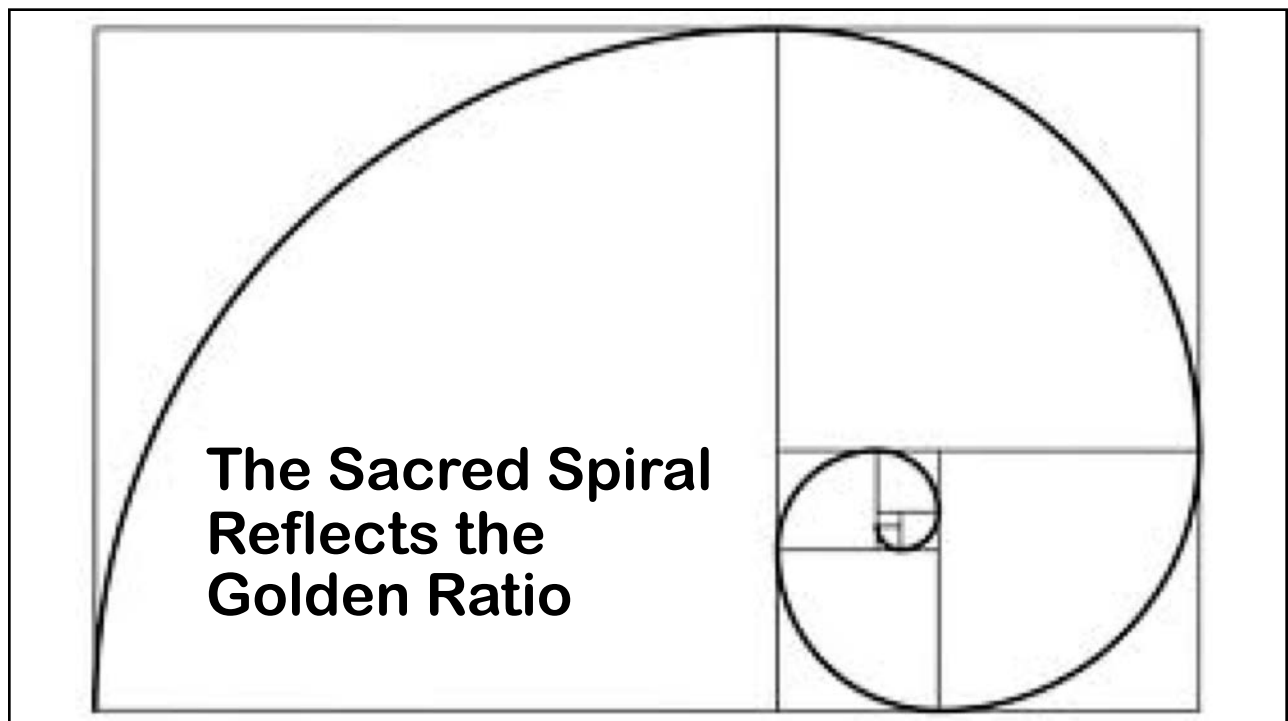

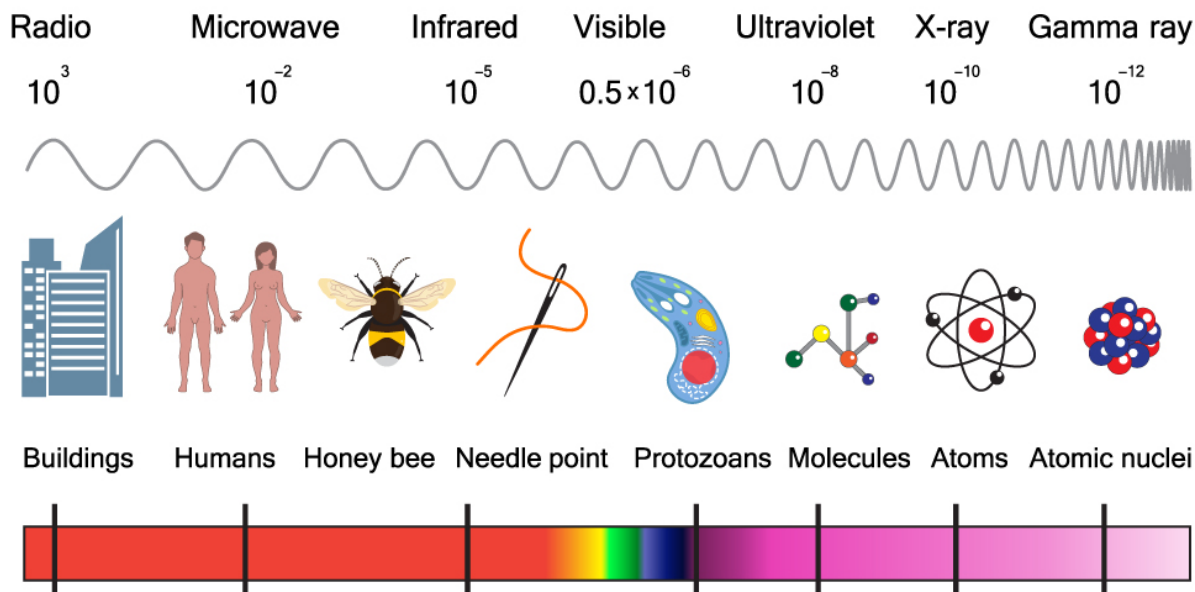

The Extended Tree

- Each tree has another tree above or below it creating the extended tree
- It's a pattern not unlike DNA
- In any individual tree, all the trees above it are part of sphere 1 (endless) and all trees below it are part of 11 (kingdom)

The Periodic Table as a Circle (Cycle)

- Like color, sound and the entire electromagnetic spectrum, the periodic table of elements also creates a circle (or spiral)
- Each column is like one note or color in the wheel of elements
- In fact, the periodic table was discovered in this manner

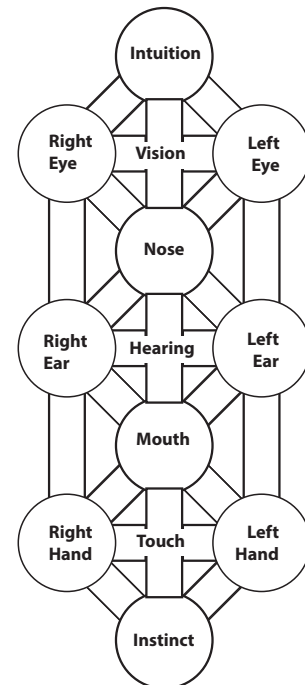

Trees within Trees

- Each sphere of the Tree of Life contains a Tree of Life within it
- Each Tree Model is also a sphere within a larger model
- This concept of “nesting and stacking” is true of all energetic models.

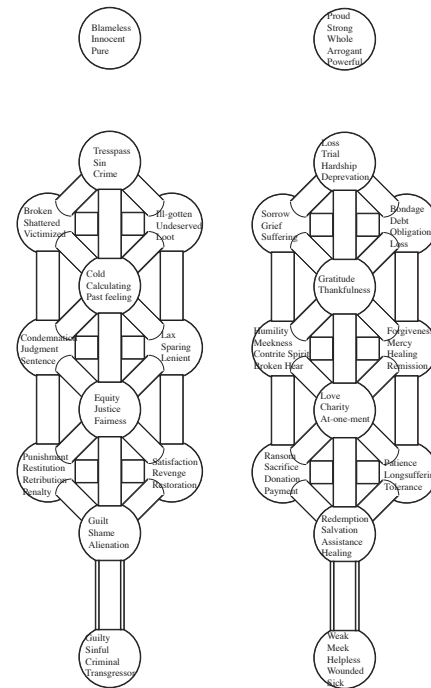

Subtrees

- Pictured at the right is a tree I did of the senses
- Roylon also created a tree mapping the areas of the brain
- This is in keeping with the idea of a holographic or fractal universe
- It also fits the idea that maps of the whole body can be found on the hand, foot, tongue, iris, ear, etc., suggesting each part reflects the whole

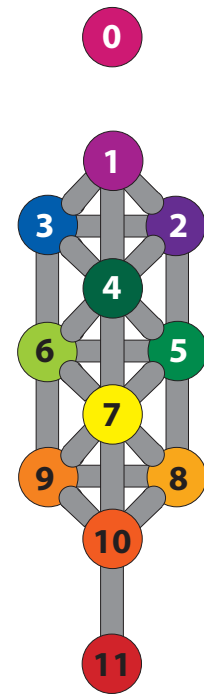

Judgment and Mercy Trees

- 6.0 Blameless, Innocent, Pure
- 6.1 Trespass, Crime, Sin
- 6.3 Broken, Victimized
- 6.5 Lenient, Sparing, Lax
- 6.10 Guilt, Shame
- 6.11 Criminal, Guilty, Sinful
- 5.0 Strong, Powerful, Whole
- 5.1 Deprivation, Hardship, Loss
- 5.6 Humble, Meek, Contrite
- 5.8 Patience, Long, Suffering
- 5.10 Salvation, Redemption
- 5.11 Helpless, Wounded, Weak

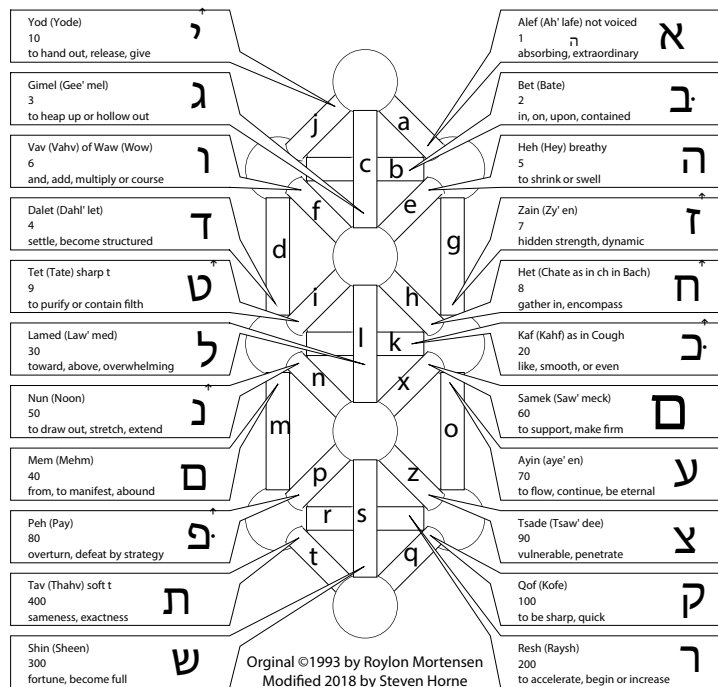

Numerology: Meaning of Numbers

- 0. Ein Sof
 - Nothing, numberless, innumerable, infinite
- One
 - Singular, unique, Comprehensive, unity
- Two
 - Dual, image, Paired, companion
- Three
 - Separate, different. Trinity, (three in one)
- Four
 - Direction, orientation, polarity
- Five
 - Expansive, immense, assisting, helpful
- Six
 - Order, structure, power, organization
- Seven
 - Rest, balance, harmony
- Eight
 - Starting again, renewal, enduring
- Nine
 - Advanced, substantial, mature
- Ten
 - Complete, established
- Eleven
 - Ongoing, continuing

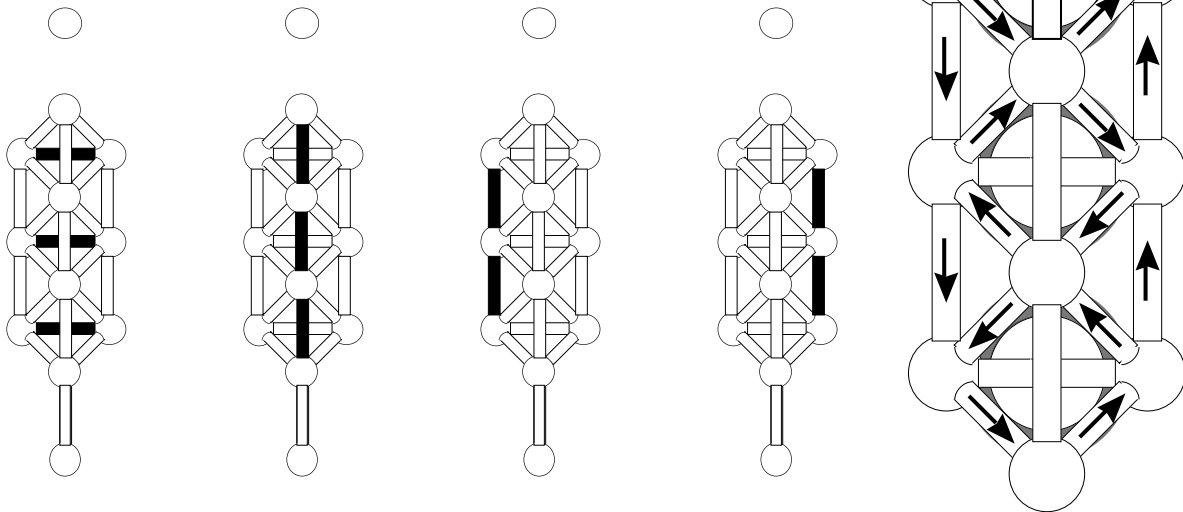

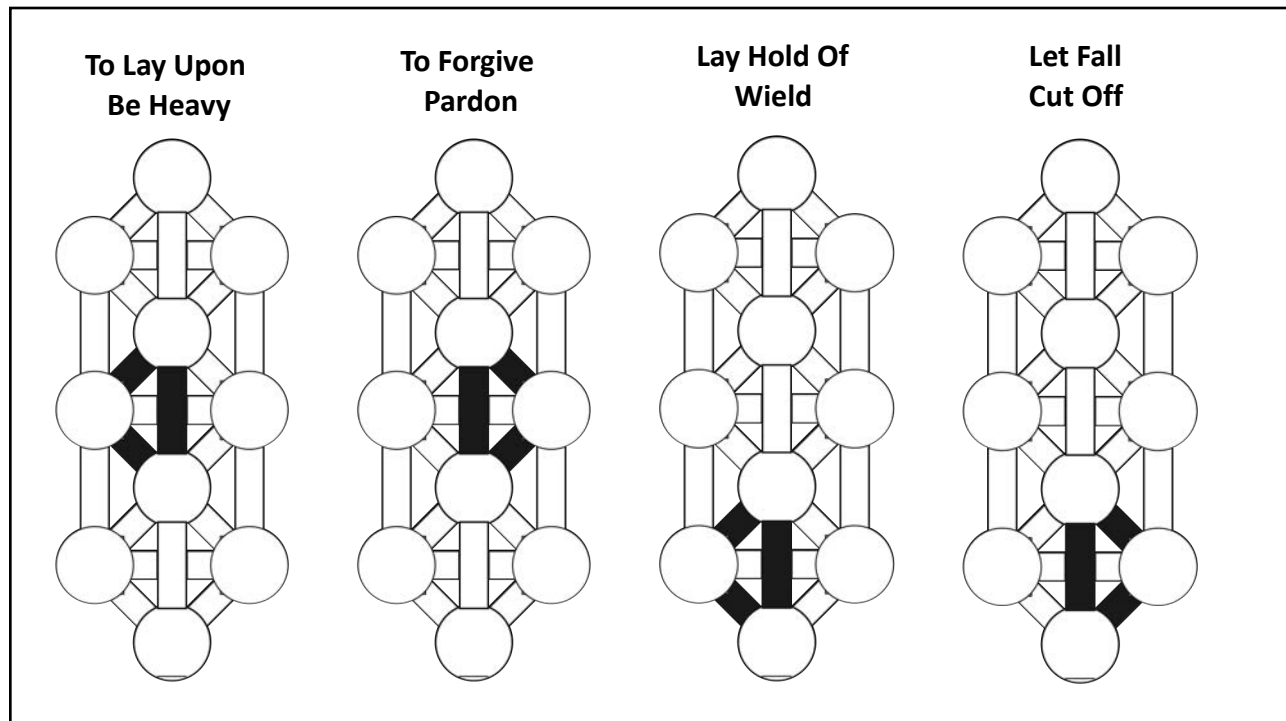

Pathways

- There are 22 pathways on the Tree of Life
- They correspond to the 22 letters of the Hebrew (and Aramaic) alphabets
- They also have meaning and numbers

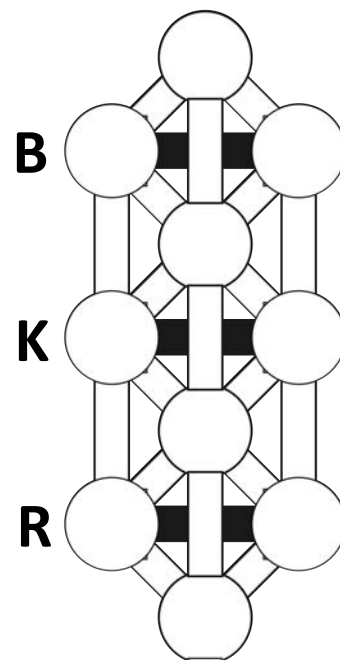

Pathway Patterns and Flow

Jacob's Latter & Ezekiel's Vision

- Merkabah (RKB)
 - Mystical chariot
 - Rakhab means to "mount up"
- Kerubim (KRB)
 - Cherubim
 - Guard or "preserve" the way
- Kebar (KBR)
 - River in Babylon
 - Suggests a barrier or obstacle

Parting Thoughts
